

THE APARTMENTS AT
MARK CENTER

August 2014

Dear Resident,

In July The JBG Companies submitted its initial site plans for Phase I redevelopment of Mark Center to the City of Alexandria for review. As mentioned in last month's letter and at the community meeting, approximately 381 apartments and 12,000 square feet of retail will be affected within the boundaries of the first phase of redevelopment.

It is important to remember that actual construction of Phase I will occur gradually over a number of years and **no redevelopment will occur before late 2015**. The JBG Companies will notify all affected residents at least nine months prior to any demolition in addition to the official required written notice 120 days in advance.

JBG will also assign a relocation coordinator who will work with affected residents that wish to relocate to another apartment within Mark Center and provide a moving allowance.

If you were unable to attend the resident meeting in June or want more information about the information that was presented, a summary has been posted online at www.MarkCenterInfo.com/updates. We will continue to provide you information on a regular basis. In the interim, please visit the website to learn more or to sign up for electronic updates.

Sincerely,

The JBG Companies

Note: If you have questions or need translation services regarding the City of Alexandria's survey or dedicated affordable housing please contact Caridad Palerm at 703-746-3079.
