

THE APARTMENTS AT
MARK CENTER

January 2015

Dear Resident,

Happy New Year! As 2015 gets underway, we wanted to assure you that we will continue to communicate regularly to keep you updated on redevelopment plans and progress at Mark Center.

Beginning this month, mailings will occur every other month as progress is slow at this stage of the redevelopment. **Please expect the next letter in March.** We will send more frequent mailings once more information becomes available and appreciate your patience at this time.

It is important to remember that Phase I construction will occur gradually over a number of years. **No redevelopment will begin before mid 2016.** The JBG Companies will notify all residents who will be affected by construction at least nine months prior to any demolition, in addition to the required written 120-day advance notice.

We will continue to provide information to all residents on a regular basis. In the interim, please visit www.MarkCenterInfo.com to learn more or to sign up for electronic updates.

Sincerely,

The JBG Companies
