

THE APARTMENTS AT
MARK CENTER

Dear Resident:

We are happy to let you know that we have attracted another grocery store for the former Giant Food location at Mark Center. We anticipate that *Global Food*, an international food store, will open in mid-2014 and serve as a convenient shopping option for our residents and the broader community.

The store will sell fresh vegetables, fruit, meat and fish along with a wide variety of Korean, American, Chinese, Japanese, Vietnamese, Central American and South American foods.

Global Food currently has four locations in Virginia and Maryland and has been providing international food choices to local residents since 2002. If you are interested in learning more about what Global Food has to offer and to view its weekly specials, please visit their website at www.theglobalfood.com.

Besides this good news, we want to assure you that our plans to include a modern, large-format grocery store in an early phase of our redevelopment have not changed.

We thank you for your patience and hope that Global Food will help you meet your grocery shopping needs. Please visit our website (www.MarkCenterInfo.com) for more information and to sign up for electronic notices.

Regards,
